“Engage, Enjoy, Enrich, Excel”

Monday 3rd June 2024

Dear Parents and Carers,

We are excited to announce that on **Thursday 20th June 2024**, our **Year 5** children will be hosting our first Enterprise Fair!

The event will run similar to a traditional Summer Fair as part of *My Money Week* where children from across the school will learn more about financial education and how to have a healthy relationship with money. The learning during this week extends beyond the Mathematics National Curriculum and aims to support children with life-long skills. Throughout the week, Year 5 will design, budget, buy and market a “product stall” to run at the Enterprise Fair.

The Enterprise Fair will run from 14:45 – 16:00 on the top Key Stage 2 playground where the Year 5 children will manage their own stalls to sell their products. **All sales will be cash-only**, so please bring change with you.

In order for the Enterprise Fair to be a success, the Year 5 children will need support from the whole school!

Following the Enterprise Fair, the children in Year 5 will account for their profit and the winning team will decide how best to spend the money they’ve made on resources for school.

Year 6 children who walk home but wish to stay for the fair will need to be accompanied by an adult.

Please join us to support the children and feel free to bring the whole family; we look forward to seeing you there!

Kind regards,

Mr Bramhall
Maths Lead
