

Beeston Primary School

Town Street, Leeds, LS11 8PN

"Engage, Enjoy, Enrich, Excel"

Dear Parent/Carer,

On Thursday 30th January, Year 1 are having a Maths Stay and Play with a STEM focus (Science, Technology, Engineering and Maths). The theme will be **Winter Maths** and we would love for you to come and join us! Any family member is welcome, but due to space in classrooms we ask only one adult comes per child.

During the session we will carry out a fun experiment and then record the data.

On the day, we will welcome and register the children as usual and at the normal time, we will then invite parents in via the main school office at approx. 09:00 for a quick explanation of the activity before you join the children in their classrooms.

During your visit you will not be given access to the rest of the school due to safeguarding reasons. The session will last around one hour and you will be led out of school by a member of staff via the main office.

Please do not worry about the Maths learning we will be doing, it will be a fun exploration activity and hopefully something you and the children will really enjoy!

Please complete and return the attached slip so we know what numbers to expect in each classroom. We hope you will be able to attend as this will be a great opportunity to work alongside the children.

Many thanks,
The Year 1 Team
Mr Bramhall, Miss Charlton & Miss Campbell

I will be attending the Stay and Play on Thursday 30th January in:

 1HB 1LC 1CC

Name of child: _____ Your name: _____.

Signed: _____ Parent/Carer.

Please return slips by Wednesday 29th January.
